Subject: Re: Phil please read and respond via email Thank you

To: Randy Meier <rmeier@highlevelmarketing.com>

Hi Randy,

I am really impressed with the results my company web page has seen since bringing my site over to High Level Marketing. HLM has gotten us to show up very high in local search results thus getting my company to be viewed by a much larger audience than I was getting in the past before I used HLM. I would recommend them for anyone looking to have their business be more visible.

Thank you,

Phil DiMaso
