Subject: RE: Question

To: Courtney McKenna <courtney@highlevelmarketing.com>

"The reason we considered working with **High Level Marketing** was Courtney McKenna's initial presentation/consultation...she was convincing because she was realistic; she made it clear that our SEO is going to be a process, and that 'process' is going to be expertly carried out by the team at High Level Marketing. Courtney introduced me to the team members at HLM...their confidence matched Courtney's and that turned our consideration into a commitment. We are into our third month (SEO) and I'm impressed with our placement on Google. Just as important, I am impressed with HLM's team members...they listen and implement accordingly. Actions speak louder than words, and in this case, the process they employ justifies their words." We will continue using them for SEO."
