Randy & Networking4biz,

This is a quick "thank you" for being so damned persistent and staying on me for quite a while, until I finally said "yes" to your service. Nothing personal, just everyone says they can do what you guys do and it's doing great! My secretary says we get at least 60 calls a month off google. We have 15 trucks, so we need the calls! Anyway, you guys are good guys, thanks! I will renew next year!

Sincerely,

James Popp
President
