

Hey Wes,

I still need you to Email me the info to log into my account on the N4B site. Also Randy sent me the search engine rankings. Really great job. With the economy the way it is and this being the slow time of the year for us anyway its impressive the phone rings at all. Just wanted to say thanks, we couldn't be happier and I tell everyone I can about you guys and the success we've had with N4B.

Thanks again,
Wes Heafner
