Hi, I saw your testimonial with highlevelmarketing.com, could you tell me if you're still using them & are you happy with them. I'm a masonry contractor in Dallas, Tx & looking to do what you did, thanks,
Dan McFall

Hi Dan

Yes, I have been with highlevel marketing for a couple of years now. " They consistently get me placed in the top two or three on google searches in my area for paving. I used to be with service magic, I found that the pay per lead system ended up in about four times the cost of what I am currently spending. It also resulted in me paying for a lot of useless leads. I would recommend giving Highlevel Marketing a try. Maximum bang for your advertising dollar."
